On the 8th of June 2012 our enthusiastic St. Cecilia’s students participated in a memorable athletics carnival. The day would not have been possible without the tireless efforts of Mrs P training the kids, coordinating events and ensuring the day was enjoyable for all. Staff and students were happy to see many parents come out in support of their children and the school. Events such as this would not be possible without our supportive community, not only cheering us on and marshalling events but some courageous parents even braved the student, parent, teacher race! It was great to see such a huge number of students involved in all the events. Thank you to all those who worked behind the scenes, making schedules,
Canty were our athletics champions for 2012, congratulations to all the students in Canty who ran, hopped and jumped their way to victory. In second place was Costello and putting in a champion effort for third was Matthews. Congratulations to all the factions for being so enthusiastically Involved, the final scores were very close. It could be anyone’s carnival in 2013!
