You can be amazing  
You can turn a phrase into a weapon or  
a drug  
You can be the outcast  
Or be the backlash of somebody's lack  
of love  
Or you can start speaking up.

Nothing's gonna hurt you the way that  
words do  
And they settle 'neath your skin  
Kept on the inside and no sunlight  
Sometimes a shadow wins  
But I wonder what would happen if you

Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave

*I just wanna see you*  
*I just wanna see you*  
*I just wanna see you*  
*I wanna see you be brave (repeat)*

Everybody's been there, everybody's  
been stared down  
By the enemy  
Fallen for the fear and done some  
disappearing  
Bow down to the mighty  
Don't run, stop holding your tongue  
Maybe there's a way out of the cage  
where you live  
Maybe one of these days you can let  
the light in  
Show me how big your brave is

Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave

Innocence, your history of silence  
Won't do you any good  
Did you think it would?  
Let your words be anything but empty  
Why don't you tell them the truth?

Say what you wanna say  
And let the words fall out  
Honestly, I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave

*I just wanna see you*  
*I just wanna see you*  
*I just wanna see you*  
*I wanna see you be brave (repeat)*

I just wanna see you  
I just wanna see you  
I just wanna see you  
I just wanna see you  
I just wanna see you  
I just wanna see you
