

# FACTION ATHLETICS CARNIVAL 2015

This time of the year is very exciting for all of us at St Cecilia's. A time to get together in sport and give it all our best. A time to have a good laugh and support each other. A time to challenge ourselves. A time to work as a team and just enjoy a day of fun in the sun!! Students at Saints have not only prepared themselves for athletics, they've also learned the importance of being part of a team and getting involved.
