On Tuesday we were led by our adorable Year Two class and Miss Roderick when they told us the story of the Last Supper. We are reminded when Jesus came into the town to share the last supper with his disciples and he asked us to do this in memory of him. Since that night we have celebrated Mass in memory of Jesus.

Holy Week is a very important week in our Church calendar and during this special week classes told us the story of Holy Week through Special Assemblies.

On Monday Miss McGlinchey and the talented Year Three class shared the story of Palm Sunday with us. This is when Jesus rode into Jerusalem on a donkey. The children entered the Church waving palms and singing a song to celebrate this great day with us.
Miss Sweeney and the fantastic Year Five class led us through the events of Good Friday. The children were able to portray the story of this very significant day. They were very solemn as they told us how Jesus was put to death and died. While this is sad we call it Good Friday because Jesus was able to overcome death and was preparing to rise again and this is a joyous time for us as Christians.

On Thursday we heard the final part of the story from our Sensational Year Four class under the direction of Mr Sta Maria. The children gave a lot of information about Jesus when he overcame death and rose to speak with his disciples. They finished off the week and brought our story to a conclusion. Now we know that Jesus is alive and is with us always.

Thanks to our amazing children we were able to grasp a really good understanding of Holy Week. We celebrated each assembly and were very proud to have Father Mark and Father Tom join us each day to add to the celebration.
