Homework Centre is a program funded for Indigenous students to assist and help students with homework. Teachers who run the program, make it fun and easier to complete. We would like to thank Ms Walker and the many teachers who have assisted in the program.

Homework centre is pretty cool. It encourages kids to work on their homework in a fun way. Kids have the chance to work in small groups and on a one to one basis. We have fantastic facilities and Jacko, our bus driver, with quite humorous.
