

Homework Term 3- Week 2

Task 1

Look in the newspaper and find an article which is a recount and ***highlight two facts and two opinions***. Remember the purpose of a recount is to list or describe past experiences by retelling the events in the order they happened.

Task 2

Complete the following word problems;

1. Tom is nine years older than Steve. If Steve is six years old, how old is Tom?
2. In year one there were 26 children, in year two there were 28 and in year three there were 30. How many children in the three classes?
3. Jo spent \$2.50 on a magazine, \$3.25 on a birthday card and \$6.75 on a book. How much did she spend altogether?

Task 3

Practice your spelling words for Friday's spelling test.

North	East	South	West
