

Year 6 Homework legends!

Term: 1 Week: 7 HOMEWORK DUE FRIDAY!

The top row is COMPULSORY. You should then choose one or more activities from the bottom row.

<p>SPELLING</p> <p>Write out your 10 spelling words four times over the week.</p> <p><i>Use one of the strategies suggested on the spelling list sheet – colour coding helps you recognise the individual sound patterns of which your words are built.</i></p>	<p>MATHS: MANGA HIGH!</p> <p>Our class is participating in the Manga High “Ninja Challenge” for Maths. Use your class login (that is a number) and your password to go wild with Maths!</p>	<p>READING</p> <p>Read EVERY DAY. Read for at least 15 minutes. Read books, read magazines, read children’s stories, read news articles. Just keep reading!</p> <p>If you wish to complete a LEXILE test before school, simply knock on the door and Ms B will be happy to welcome you in. This before school option is available: Monday, Wednesday, Thurs mornings. (Ms B is busy Tues and Fri).</p>	<p>MATHS BASICS</p> <p>Times table challenge this week: Which set of multiplication facts are you working towards for your 25 second sticker? Times tables practice is scheduled once daily, and loudly in the loo! Let the family know you’re practising your maths skills.</p> <p>If you’ve done them all for Ms B, tackle your DOUBLES!</p>	<p>RELIGION</p> <p>Complete this week’s activity (beginning 12th March) in your diary and share with class on Friday.</p>

<p>MATHS</p> <p>Complete the activity handed out in class. Have fun helping the mouse!</p>	<p>ENGLISH</p> <p>Add 'how' each of these verbs occurs with an ADverb eg. sleeps NOISILY</p> <p>wrinkled... jumped... sang... works... bruised tickles... danced... laughed... ate... giggles...</p>	<p>PLAY</p> <p>So, camp is coming up... Make a list of 10 things you might do on the bus instead of using digital technologies. (Hey, you could even leave the device at home!)</p>	<p>YEAR 6</p> <p>Write down ten things you believe you have already learned in year 6 so far. These could be in class, the playground or helpful 'life lessons'.</p>	<p>SCIENCE</p> <p>Learn the next 10 elements of the periodic table (up to 20). Use the New Periodic Table Song by ASAP Science on Youtube.com to inspire you!</p>
