National Simultaneous Storytime 2015

This Year St Cecilia's once again participated National Simultaneous Storytime . All across Australia, students stopped to read and immerse themselves in the story, *The Brothers Quibble*. Students also watched an online interview with Nick Blabey, author of *The Brothers Quibble* and completed fun activities from the book.

Book Fair 2015

Our Library was transformed into a scene from the Octopus' Garden for the week to celebrate Book Fair. During the week, children had the opportunity to browse through the books on display and choose one or two (or more) that they liked to put on their wish list. All classes took part in making Under the Sea creatures to add to the display.
