

MATH

skip counting

M: Fill in the missing numbers.

2	4		8			14	16		20
10		30	40			70		90	
	10		20	25			40		

T: Look at each group. How many fingers are being held up each group?

W: Skip count backwards to fill in the missing numbers.

	90		70			40		20	
52	50			44	42				34
	70	65				45	40		30

TH: Follow the arrows and directions to complete the number maze.
