On Monday 13 June we had five culinary chefs take to a new competition called “My Kitchen Rules”. This is something new for Hedland and all schools were invited to participate in a cook off at the Hedland Senior High School.

Our five budding chefs were: Olivia Perkins, Ciara Strachan, Paige Winthrop, Kelly Zaccheus and Jenevieve Zoghbi together with their cooking coordinator Mrs Liliana Battle. This group did an amazing job in preparing food for over 200 guests. They only had an afternoons training to master all the necessary skills required for the day. Lilana helped meld the group into a team of the most amazing culinary Connoisseurs, the team were sensational and remained very cool in the kitchen throughout the competition.
They chose to create Fresh Pappardelle Pasta with Tomato Sauce and Meatballs, with their choice of dessert, Fresh Fruit Kebabs with Lemon Cheesecake Dip. If you think it sounds good you should have tasted these masterpieces. Our Chef’s were awarded first place and presented with a trophy. They had the chance to meet with Western Australian Contestants from the television program My Kitchen Rules.

The team won a voucher for $500 as well as many cooking utensils. With the voucher the school bought a barbeque which can be enjoyed by the whole school. An outstanding achievement by the team.
