

ST CECILIA'S PARENT'S AND FRIEND'S ASSOCIATION

SCHOOL CAMP OUT

The highlight of 2016 would have to have been the School Campout. On 11th June, our Dads, Uncles and Carers gathered for the evening with their children, to take advantage of our wonderful Pilbara winter weather. Tents were set up (eventually, in some cases), marshmallows were toasted around the fires and the children played endless games of spotlight around the school oval.

SHADE

After a few years of scrimping and saving, a solid shade structure was built on the oval and handed over to the school. This structure provides students a place to rest during their recess and lunch without having to go to the main under cover area. It can also act as an outdoor classroom with adequate bench seating.

WORKING BEES

The P&F was proud to support the school with two working bees this year. The Kindy and Pre-Primary sand pit was rejuvenated with new sand and hard work.

The block at the corner of Anderson and Rodoreda Street received its first working bee which laid the grass and shipping rope needed to define the area. We look forward to supporting the school in the coming year/s while this area is developed further.

The P&F sees working bees as an opportunity for our school community to engage with their school and enhance school pride.

ST CECILIA'S PARENT'S AND FRIEND'S ASSOCIATION

SCHOOL DISCO

The P&F celebrated Book Week with a School Disco, which gave the children another opportunity to wear their Book Week costumes.

BOOK FAIR

The P&F has once again supported our school by hosting the Scholastic Book Fair in 2016. The credits earned during the Book Fair will go far in ensuring our school has up to date reading resources for our children.

END OF TERM PARTY

A lovely afternoon was had by all who attended the Term 3 End of Term Party at Cemetery Beach park. It was an opportunity for parents and carers to re-connect before the holidays and for children to celebrate the beginning of school holidays.

WORLD TEACHER APPRECIATION DAY

On October 11th, the P&F spoke on behalf of our parents to thank our teaching staff for all they do in educating our children. Teachers and Education Assistants were given booklets of student appreciation surveys, a voucher and a morning tea.

ST PATRICKS DAY CUPCAKES. SWIMMING AND SPORTS CARNIVAL LUNCH

By organizing green cupcakes for St Patrick's Day and lunch for the Swimming and Sports Carnivals, the P&F supported these fun days for our children.

CHRISTMAS DINNER AND SCHOOL DECORATIONS

The P&F once again served dinner at the School Christmas Concert and decorated the school in the Festive Spirit.

THE WORK OF THE P & F

The P&F always welcomes new members to join us in supporting our school in their work. As individuals, we all have unique skills, that can benefit all of our children.

Thank you to our committee this year, who focused so well on building our school's sense of community.
