

Geography Homework

1. Write your address.

A) What suburb do you live in? _____

B) What town do you live in? _____

C) What country do you live in? _____

D) What state do you live in? _____

2. What can you find out about your house from your parents?

Write notes below. Questions you could ask them are:

- How long have you lived in this house?
- What made you choose this house to live in?
- What do you think is the best thing about this house?
