

# Year 6 Transition @ Hedland Senior High School

The Year 6 students had a fantastic week at Hedland Senior High School During Term 4. For the week, they were enrolled as students of the high school, given uniforms, which are sponsored by BHP and took part in the various classes and activities of the school. Activities that students were involved in were: The Shooting and Kicking Goals program, Home Economics, Metalwork, Woodwork, Dance, Music, Drama, Science, Humanities , English and Maths.

Students were treated as part of the school community and enjoyed the freedom that high school gives. Students met and made friends with other students from all the other primary schools in the town and have come away with some great friendships. A highlight for some students has the fact that they were allowed to walk around whilst eating, to play– even without a hat, and enjoy the range of food that the cafeteria provides.

All in all, it was a fantastic experience and enjoyed by everyone.
