

Parents & Friends News

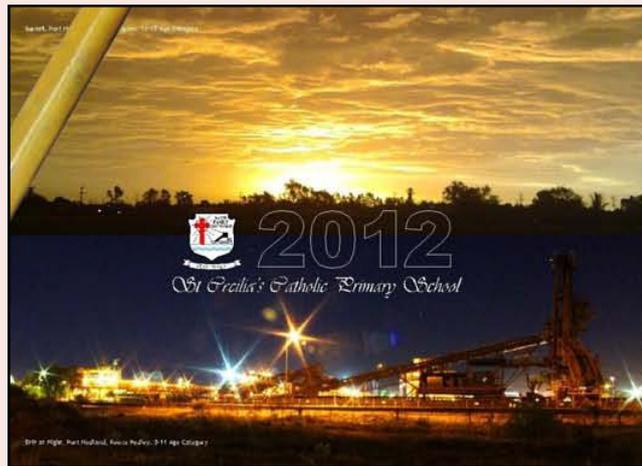

The major fundraiser for the year was the Pilbara Photographic Competition, culminating in a 2012 calendar.

We had great support from our major sponsors: Goodline; Fortescue Metals Group; Northwest Telegraph; Harvey Norman Electrical and Computing; and Pilbara Photographics.

Performer Hey Presto came from Perth to entertain the kids of all ages.

Heaps of fantastic photos were submitted and great prizes were up for grabs.

Fantastic 2012 Calendar

2011 has been a busy year for St Cecilia's and the P&F.

There were many fun events held during the year for the benefit of the students—and staff and parents!

We held discos, including a crazy hair disco in term 1 and a Harry Potter themed one in term 2.

Once again, we celebrated St Patrick's Day with green cupcakes, and held raffles for Mother's Day, Father's Day and Easter.

We received sponsorship from BHP Billiton in the form of matched giving, and helped out the Cancer Council by hosting a Biggest Morning Tea.

A first in recent times, the P&F held a Lap-a-thon to raise money for the school. The students and teachers had a great time walking their laps, and even some of the parents joined in for a lap or two.

The students were rewarded with prizes for their fundraising efforts.

The morning finished with fresh fruit slushies prepared on site by some of our wonderful school mums!

Lights, Camera, Action was the theme for Book Fair this year.

The library looked amazing, and all the staff and students had a fantastic time getting dressed up.

We were even lucky enough to have Bishop Justin join us, dressed in Hogwarts attire!

In 2011, the P&F supported the school with extra money towards the finalisation of the computer lab.

We also funded numeracy equipment for each class, as well as other teacher requests; and Mother's Day, Father's Day and Christmas gifts for the students to give to parents.

We consider ourselves lucky to be part of such a caring and supportive school environment.

Our wonderful P&F is well supported by our dedicated Principal and teachers who all pitch in to help with whatever we have planned.

The P&F is always welcoming of new members - let's all combine to ensure that 2012 is an even better year for our school!
