

Year 5 2016

We have doing a lot of learning in Year Five this year. With all our new knowledge we think we have what it takes to change the world.

I CAN CHANGE THE WORLD BY....

...being an animal conservationist.
Emily

...using what I have learnt to be a scientist to advance the world's technology.
Damien

...being a sound engineer.
Joice

...being the greatest AFL player.
Josh

...by helping the sick.
Charlotte

...being a good cook.
Megan

...becoming a teacher.
Scarlett

...stopping global terrorism, global warming and racism.
James

...helping to teach others.
Regan

...being a nurse.
Breanna

..by being a sport player.
Michael

...being a vintner.
Rohan

...making different types of art.
Kiahni

...helping people in Africa and those with breast cancer. *Presley*

...being an animal carer.
Athena

...being respectful and kind to others.
Ava

...being a doctor.
Luba

...becoming an Olympic swimmer.
Jamie

...being a ranger.
Ethan

...being smarter than Einstein.
Kartini

...inventing the future!
Oliver

...being a veterinarian.
Madison

...joining endangered animal conservationists.
Sahara

...reading and colouring.
Mackenzie

...studying hard in science to advance computers and rockets and understanding of our universe. *Katharine*

...being an engineer.
Elias
