On Thursday the 16th of June 2011, St Cecilia’s Catholic Primary School held its annual Communio Fair to help raise money for various organisations. Each year group organised a store ranging from a white elephant, to mock tails, guess how many lollies in the lolly jar, biscuit making, pop corn, face painting, lolly bags and more. The day was a great success with the children having lots of fun spending their money for a fantastic cause.
